

The apartments are ideally situated for a lively holiday, however, for those who want to do no more than relax the days away around the communal pool or on a sun drenched beach, then this is the place for you.

The apartments are ideal for all ages and are far enough away from the bars / clubs for you to have a peaceful night's sleep.

The complex's most outstanding features are the tropical gardens incorporating fish ponds and aviaries, a great area to sit and relax in the late evening and enjoy the tranquillity of the subtle lighting effects and the "babbling" of running water.

The nearest beach is approx 10 minutes walk from the apartments, with the beautiful Nissi Beach, less than 5 minutes bus or taxi ride away.

A vast array of restaurants, bars and clubs, which cater to everyone's taste are within easy walking distance of the apartments
